AMSTERDAM THE NETHERLANDS

NL LEATHER®

NLleather is proud to introduce a high level collection of leather BDSM gear. All our handcrafted products are made of the finest cowleather. All leather articles are leather lined, nickel parts will not touch the skin. NLleather products are not only comfortable but also safe to wear. High quality stainless steel and silicone are part of our collection. Only the best for the real BDSM lover. Because NLleather (from Holland) is a producer and will have all the products on stock we can offer you not only a very good price but also good service. You can buy NLleather products worldwide in the better fetishshops.

NLleather wants to be the new standard in the "BDSM world"
